

THE HONOR  SOCIETY OF
PHI KAPPA PHI

Partnering for Success Recap

August 5-7, 2011: Minneapolis, MN

Partnering for Success provided an opportunity for Phi Kappa Phi volunteers to gather and share ideas and strategies for operating and maintaining active chapters, which promote academic excellence and service to others. Over the three day session, chapter officers and representatives from colleges and universities across the nation addressed challenges and shared success. Participants were also able to meet Society volunteer leadership and Headquarter staff and learn about the work and support available from the national office.

Friday, August 5

Session #1:

Welcome & Introductions

Chapter Officers and representatives responded to the following questions:

What is your role in your chapter and at your university?

Why do you volunteer your time to be a chapter officer?

What is something you can tell us about your chapter?

What do you hope to learn from attending Partnering for Success?

See participant roster below.
