

## **Partnering for Success Recap**

January 4-5, 2012

Las Vegas, NV

Partnering for Success provided an opportunity for Phi Kappa Phi volunteers to gather and share ideas and strategies for operating and maintaining active chapters, which promote academic excellence and service to others. Over the two day session, chapter officers and representatives from colleges and universities across the nation addressed challenges and shared success. Participants were also able to meet Society volunteer leadership and Headquarter staff and learn about the work and support available from the national office.
