BIO

I'm the Membership Director for Phi Kappa Phi, and I hope you enjoy connecting with other members in the Link community! I'm also a member of the Society and was invited to join during my senior year at Southeastern Louisiana University in 2006.

I encourage all members to take advantage of the benefits and resources available through active membership. When I first became a member, I was not aware of all the benefits and resources available to me. Now, as Membership Director, I like to encourage everyone to utilize the benefits of membership. From more than 25 discounts from companies like AT&T, GEICO, Enterprise, Lenovo, and Dell, to career and award resources, there are plenty of benefits available.

I also encourage everyone to add their membership in the nation's oldest and most selective honor society to their résumé. Two of my past employers have recognized and mentioned my membership in the Society after referencing it on my résumé!

It's my hope that all members recognize the value of their Phi Kappa Phi membership. Feel free to contact me should you need assistance or have questions along the way. I'm always happy to help!

Happy Linking!
