Free Practice Exams and Analysis

We can sponsor a local practice test day or “Test Fest” proctored by an instructor, plus a follow-up session to discuss score results.

We provide customized courses to meet the unique needs of your members, such as a full-fledged course designed around your members’ schedules.

Event Sponsorship, Joint Publicity, and Promotion

We can put more “muscle” behind your campus-wide events. We can offer prizes for raffle drawings, auctions, or incentives to help promote your chapter.
